

CU*TALK...Convenience At Your Fingertips!

Detroit Municipal Credit Union makes it possible for you to have direct contact to your credit union accounts with just one phone call.

Introducing CU*TALK, our computer voice response system, which makes taking care of your credit union business faster, easier and safer! Because you can now get around-the-clock access to your accounts, this service is perfect for today's busy lifestyles.

All you need to make contact with CU*TALK is a touch-tone phone, credit union access code, your account number, and your Personal Identification Number (PIN). Now you are all set to take care of business!

CU*TALK Lets You Perform Numerous Transactions Like These:

- ❖ Review account balances
- ❖ Verify the date and amount of your transactions, including deposits, withdrawals, transfers and payments
- ❖ Verify whether certain checks have cleared
- ❖ Transfer funds between accounts
- ❖ Make loan payments
- ❖ Check current interest rates
- ❖ Change your Personal Identification Number (PIN)
- ❖ Obtain annual dividend and interest information

Whether you're at home, at work, or thousands of miles away, CU*TALK puts your accounts right at your fingertips.

CU*TALK Guides You Through Each Step!

Step-by-step instructions make it easy to use CU*TALK:

1. Using your touch-tone phone, call:
(800) 860-5704
2. The computer voice will answer and ask for your credit union's access code. You respond by entering **166** then the # key.
3. You will be asked to enter your member number. Then press the # key.
4. Next, you will be prompted to punch in your Personal Identification Number (PIN). Enter your PIN and press the # key.
Be Careful—if you enter the PIN incorrectly three times, your PIN will be disabled. You must contact the credit union directly for reactivation.
5. **First Time Users** - Your PIN number will be the last four digits of your Social Security number. For security purposes, after you enter the system, you will be prompted to change your PIN.
6. From this point on, the CU*TALK procedure will vary depending on the transactions you wish to complete. CU*TALK will guide you through each step.
Hint: This first set of options includes a brief tutorial (press "0") with tips and hints for using the system. You can press * to return to the main menu at any time.
7. When you have finished your last transaction, simply hang up the phone.

Keep In Mind These Helpful Tips

- ❖ To get through to CU*TALK, you must enter your credit union's access code **166**.
- ❖ Be sure to press the # key when asked. This signals CU*TALK to act upon your entry.
- ❖ Keep your PIN number confidential. This protects your privacy and keeps others from gaining access to your accounts.
- ❖ When entering dollar amounts, decimals are not required. For example, you would enter \$25.00 as 2500.
- ❖ CU*TALK may occasionally be unavailable for a short period so that we may perform maintenance. If you are unable to complete a transaction for this reason, try calling back later.
- ❖ Be extra careful when entering your member number and PIN. Entering a PIN incorrectly three times will disable access to that account through CU*TALK. If this happens, contact the credit union directly for reactivation.
