USA PATRIOT ACT NOTICE

Important Information about Procedures for Opening a New Account

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open a new account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

Membership

Membership in Diversified Members Credit Union is open to any person qualifying under the credit union's bylaws.

Becoming a Member. To become a member of the Credit Union, you must complete a Membership Application and Agreement and open a Membership Share Savings Account. The basic share deposit that you must always keep in your Membership Share Savings Account to retain membership is \$5.00. You authorize us to check your account, credit and employment history and to obtain reports from third parties, including consumer (credit) reporting agencies, to verify your eligibility for the accounts and services you request as allowable by the Fair Credit Reporting Act.

Share Savings Accounts

Deposits. After you have established your Membership Share Savings Account, you may make additional deposits into that account, or establish additional share savings accounts and other types of accounts as described below, at any time and in any amount. We may establish minimum amounts for deposits in your Share Savings Accounts or other accounts. Your Membership Share Savings Account and your other share savings accounts will be referred to singularly in this Agreement as "Share Savings Account" and collectively as "Share Savings Accounts," as applicable. Additional Share Savings Accounts can be established by completing an Application to Add Additional Share Savings Account.

You can make deposits in person or by mail. You can also arrange to have deposits made directly to Share Savings Account(s) by participating payers. If you have an automated teller machine (ATM) card, you may also make a deposit through automated teller machines equipped to accept deposits. If you have applied for and been given access to our Telephone Banking service or our Home Banking service, you can also transfer funds from one account to another. Deposits may also be made at a night depository at those Credit Union locations that have a night depository. Funds deposited to a night depository are considered deposited on the day on which the deposit is removed from such facility and is available for processing. The Credit Union is not responsible for deposits placed in the night depository until the depository is opened, and deposits are subject to count and verification by the Credit Union.

Withdrawing Money from Your Share Savings Accounts. As long as you have available funds in your account, and subject to any applicable state or federal laws and regulations the transaction limitations in this Agreement, including the Truth in Savings Disclosure and the Credit Union's Bylaws, money can be withdrawn from your account by any method approved by the Credit Union.

Rate and Annual Percentage Yield ("APY"). Your Share Savings Accounts will earn what are known as dividends. Dividends are like interest, except that the rate of dividends is set by the Credit Union's Board of Directors (the "Board") from time to time, and dividends are not guaranteed. The Credit Union estimates a prospective dividend rate and corresponding annual percentage yield (APY) on your Share Savings Accounts for each dividend period. The dividend rate and APY may change every calendar quarter as determined by the Credit Union. This is a variable rate account. The Credit Union's current dividend rates will be available each business day at our office. The words "dividend" (or "dividends") and "interest" may be used interchangeably in this Agreement. Refer to our current Rate Schedule for our current dividend rates.

Daily balance computation method: Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

Compounding. We compound your dividends, even though that isn't required by law. Compounding is more favorable to you, because once dividends have been earned by your account they are added to the balance on which you will earn future dividends. Because we compound dividends, the Annual Percentage Yield (APY) on your account will be somewhat higher than the dividend rate, although for lower rates, the percentage figures shown on your disclosures and statements may be the same due to rounding. The Annual Percentage Yield (APY) will be posted along with the dividend rate.

For this account type, the dividend period is the calendar quarter. For example, the beginning date of the first dividend period of the calendar year is January 1 and the ending date of such dividend period is March 31. All other dividend periods follow this same pattern of dates. Dividends will be

compounded quarterly. The prospective dividend rate for each quarter will be determined in the last month of the previous quarter. The dividend declaration date follows the ending date of a dividend period, and for the example above is April 1.

Crediting Dividends. Dividends will be credited quarterly. Dividends are not available to you until they have been credited to your account. Even though your account earns dividends every day, we don't actually credit them to your account until the last day of the applicable dividend period. Dividends that are credited to your account will be added directly into your account. If you close your account before dividends are paid, you will not receive the accrued but unpaid dividends.

Minimum Balance to Earn Dividends. You earn dividends on your Share Savings Accounts each day that your account balance is \$5.00 or more. We reserve the right to adjust minimum deposit balance requirements from time to time.

How Withdrawals Affect Dividends. Even though we don't credit your dividends to your account until the date specified above, we calculate them on a daily basis. Therefore, if you make a withdrawal, you won't receive any further dividends on the withdrawn amount from the day you make the withdrawal until the day that dividends are credited.

Funds Availability. Funds from deposits you make into your Savings Account may not always be immediately available for withdrawal. You will be informed of availability at the time of deposit. Our general policy is to delay the availability of your check deposits until the fifth (5th) business day after the business day of your deposit.

Transaction Limitations. During any statement period, you may not make more than six withdrawals or transfers to another Credit Union account or yours or to a third party by means of a preauthorized transaction or telephonic order or instruction. No more than three of the six transfers may be made by check, draft, debit card, if applicable, or similar order to a third party. If you exceed the transfer limitations set forth above in any statement period, your account will be subject to a fee as set forth in our Fee Schedule. In addition, we reserve the right to close your account for excessive violations of the transaction limitations on the account.

Terms Applicable to All Checking Accounts

Funds Availability. Funds from deposits you make into your Checking Account may not always be immediately available for withdrawal. Information about our funds availability policy is provided to you in the "Funds Availability Disclosure" included further below in this Agreement.

Payment of Checks. The Credit Union is under no obligation to pay a check that is more than 6 months old. Except for negligence, the Credit Union is not liable for any action it takes regarding the payment or non-payment of a check. All checks drawn on your Checking Account may be returned by us unpaid for any reason that checks are normally returned, such as, for example, insufficient funds, uncollected funds, or litigation. We may disregard any information on any check other than the signature of the drawer, the amount, and any magnetic encoding. You agree that we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items.

Postdated and Stale Dated Checks. We may pay any check without regard to its date unless you notify us of a postdating. The notice must be given to us in time so that we can notify our employees and reasonably act upon it. The notice must accurately describe the check, including the exact number, date and amount. You understand that the exact information is necessary for the Credit Union's computer to identify the check. We are not responsible if you give us an incorrect or incomplete description or untimely notice. You may make an oral notice which lapses in fourteen (14) calendar days unless confirmed in writing. The Fee for a Notice of Postdating is the same as the fee for a Stop Payment Order; please refer to our Fee Schedule for the amount of the fee. A written notice is effective for six (6) months and may be renewed in writing from time to time. You agree not to deposit checks, drafts, or other items before they are properly payable. We are not obligated to pay a check drawn on your account that is presented more than six (6) months past its date.

Remotely Created Checks. A remotely created check is a check created by someone other than the person on whose account the check is drawn. A remotely created check is generally created by a third-party payee as authorized by the owner of the account on which the check is drawn. Authorization is usually made over the telephone or through online communication. The account owner does not sign a remotely created check. In place of the owner's signature, the remotely created check usually bears a statement that the owner authorized the check or bears the owner's printer or typed name. If you wish to stop payment of a remotely created check, we may require you to close your account.

Overdrafts If on any day, the available funds in your Checking Account are not sufficient to cover drafts, fees or other items posted to your account, those amounts will be handled in accordance with our overdraft procedures or an overdraft protection plan you have with us. The Credit Union's determination of an insufficient account balance may be made at any time between presentation and the Credit Union's midnight deadline with only one review of the account required. We do not have to notify you if your Checking Account does not have funds to cover drafts, fees or other posted items. Whether the item is paid or returned, your account may be subject to a charge as set forth in our Fee Schedules. Except as otherwise agreed in writing, by covering one or any overdraft we do not agree to cover overdrafts in the future and may discontinue covering overdrafts at any time without notice. If we pay a check or impose a fee that would otherwise overdraw your account, you agree to pay the overdrawn amount upon our demand. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payer bank extra time beyond any midnight deadline limits.

When determining whether a check or other transaction drawn on your Checking Account is an overdraft check or other nonsufficient funds transaction, both for the purpose of determining whether and how to honor it and whether a fee related to it being an overdraft may be charged, the Credit Union will

use the "Available Balance" for your Checking Account at the time the check or other transaction is presented. The Available Balance is the balance shown on our books ("Ledger Balance") reduced by (i) the amount of any holds in place with respect to deposited checks or other items, (ii) the amount in the account that is subject to any preauthorization requests related to the account that have been accepted by the Credit Union, (iii) amounts in the account that are subject to holds based on court, tax agency, or other governmental proceedings, and (iv) amounts that we believe are subject to a dispute over ownership or other rights. Examples of preauthorization requests are holds related to purchase transactions where the final amount is initially unknown, such as gas station purchases, restaurant charges, and hotel or car reservations, but there are other types of preauthorization requests that could affect your account as well. Note that the use of the Available Balance for these purposes may cause a fee related to an overdraft to be charged, or a line of credit advance or transfer from another account to be made, even though your periodic statement may not reflect any time when the balance (periodic statements use Ledger Balances) would be negative.

If this is a joint account (that is, if two or more people are parties to this account), all of the joint owners are jointly and severally liable to repay the Credit Union the amount of any overdraft and related fees, regardless of which of the parties writes the check or otherwise authorizes the transaction that creates the overdraft.

If the Credit Union has contractually agreed to provide you with overdraft protection, such as through a share transfer agreement, it will pay overdrafts in accordance with the terms of the applicable agreement(s) when sufficient funds are available through such agreements to pay the overdrafts before we will overdraw an account.

Truncated Checks; Statements. Your canceled checks (the checks drawn against your account that we honor) will not be returned to you, they will become Credit Union property and be held by us ("truncated") for you. They also may be truncated earlier in the check clearing process, such as by the bank into which the payee deposits them. This may be done either pursuant to a contractual electronic presentment process or under a federal law commonly referred to as "Check 21." Your monthly statement will itemize your canceled checks by number, date of clearing and the amount of the check. Any objection respecting any item shown on a periodic statement is waived unless made in writing to the Credit Union within sixty (60) days after the statement is mailed. A copy of any check will be available to you as required by law. There may be a small fee to obtain a copy of a check (see the Fee Schedule for a list of fees). When a copy of a check is requested, the Credit Union may provide it to you in the form of a "substitute check" as prescribed in the "Check 21" law. Upon issuance, the Credit Union will provide you with a disclosure regarding your rights regarding substitute checks and how you may make a claim for a refund for losses related to a substitute check.

Order of Payments. Checks and other transactions may not be processed in the order that you make them or in the order that we receive them. We may, at our discretion, pay a check, draft, or items, and execute other transactions on your account in any order we choose. The order in which we process checks and other transactions on your account may affect the total amount of overdraft fees that may be charged to your account if there are insufficient funds in your account to pay all of the transactions.

Stop Payments.

Stop Payment Order Request. You may request a stop payment order on any check drawn on your account. To be binding, an order must be dated, signed within 14 days, and describe the account and check number and the exact amount. The stop payment order will be effective if the Credit Union receives the order in time for the Credit Union to act upon the order and you state the number of the account, number of the check, and its exact amount. You understand that the exact information is necessary for the Credit Union's computer to identify the check. If you give us incorrect or incomplete information, we will not be responsible for failing to stop payment on the check. If the stop payment order is not received in time for us to act upon the order, we will not be liable to you or to any other party for payment of the check. If we re-credit your account after paying a check over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to transfer to us all of your rights against the payee or other holders of the check, and to assist us in any legal action.

Duration of Order. A stop payment order is effective for six (6) months and may be renewed in writing from time to time. We do not have to notify you when a stop payment order expires.

Liability. Fees for stop payment orders are set forth on the Fee Schedule. You generally may NOT stop payment on any certified check, teller's check, or any other check or payment guaranteed by us. Even if payment of such an item is stopped, you may remain liable to any item holder, including us. You agree to indemnify and hold the Credit Union harmless from all costs, including attorney's fees, damages or claims related to (1) our refusing payment of an item, including claims of any multiple party, account owner, payee, or endorser or (2) our failing to stop payment of an item as a result of incorrect information provided by you.

Payment of Checks after Death. The Credit Union may, after the date of your death, pay checks drawn before death unless ordered to stop payment by the Personal Representative or other appropriate person claiming an interest in the account.

Christmas Club Accounts

Establishing Account and Rate. A Christmas Club Account may be established by you designating the appropriate option on the Membership Card and making a deposit or, if it is established after your Membership Share Savings Account is opened, by completing an Application to Add Christmas Club Account. Refer to the Rate Schedule for current dividend rates and APY. You may also call (313) 568-5000 for rate information. Withdrawals from this account will reduce earnings.

Deposits. After you have established your Christmas Club Account, you may make additional deposits into that account at any time and in any amount. We may establish minimum amounts for deposits in this Account from time to time.

Withdrawing Money from Your Christmas Club Account. As long as you have money in your account, and subject to any applicable state or federal laws and regulations, the transaction limitations in this Agreement, and the Credit Union's Bylaws, money can be withdrawn from your account by any method approved by the Credit Union. Withdrawals are subject to fees as provided in our Fee Schedule.

Rate and Annual Percentage Yield ("APY"). Your Account will earn dividends, at a rate established by the Credit Union prior to the beginning of the annual November 1 to October 31 Christmas Club account period. The Credit Union reviews the dividend rate it pays on your Christmas Club Account prior to each such period. Refer to the Rate Schedule for our current rates. The dividend rate and APY may change every November 1 as determined by the Credit Union. This is a variable rate account. The current dividend rate will be available at our office.

Daily balance computation method: Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

Crediting Dividends. Even though your account earns dividends every day, dividends are not credited until the scheduled maturity or distribution date (October 31). Dividends are not available to you until they have been credited to your account. Dividends that are credited to your account will be added directly into your account. If you close your account before dividends are paid, you will not receive any accrued but unpaid dividends.

Minimum Balance to Earn Dividend. You earn dividends on your Christmas Club Account each day. There is no minimum balance required to earn dividends. We reserve the right to adjust minimum deposit balance requirements from time to time.

How Withdrawals Affect Dividends. Even though we don't credit your dividends to your account until the date specified above, we calculate them on a daily basis. Therefore, if you make a withdrawal, you won't receive any further dividends on the withdrawn amount from the day you make the withdrawal until the day that dividends are credited.

Distribution of Accounts. In November of each year, the balance in your Christmas Club account will be transferred to your Membership Share Savings Account.

Money Market Accounts

Deposits. A Money Market Account is established by you designating the appropriate option on the Membership Application and Agreement or, if it is established after your Membership Share Savings Account is opened, by completing an Application to Add Account. After you have established your Money Market Account, you may make additional deposits into that account at any time and in any amount subject to the terms of this Agreement and any other additional disclosures we provide you. We require an initial deposit of \$2,500.00 for your Money Market Account, and you must maintain a basic membership share of \$5.00 on deposit in your Membership Share Savings Account to retain a Money Market Account.

You can make deposits in person or by mail. You can also arrange to have deposits made directly to your Money Market Account(s) by participating payers. If you have applied for and been given access to our Telephone Banking service or our Home Banking service, you can also transfer funds from one account to another. Deposits may also be made at a night depository at those Credit Union locations that have a night depository. Funds deposited to a night depository are considered deposited on the day on which the deposit is removed from such facility and is available for processing. The Credit Union is not responsible for deposits placed in the night depository until the depository is opened, and deposits are subject to count and verification by the Credit Union.

Withdrawing Money from Your Money Market Accounts. As long as you have available funds in your account, and subject to any applicable state or federal laws and regulations the transaction limitations in this Agreement, including the Truth in Savings Disclosure and the Credit Union's Bylaws, money can be withdrawn from your account by any method approved by the Credit Union.

Rate and Annual Percentage Yield ("APY"). Your Money Market Account will earn what are known as dividends. Dividends are like interest, except that the rate of dividends is set by the Credit Union's Board of Directors (the "Board") from time to time, and dividends are not guaranteed. The Credit Union estimates a prospective dividend rate and corresponding annual percentage yield (APY) on your Money Market Account for each dividend period.

This is a tiered-rate variable rate account. If your average daily balance is between \$2,500.00 and 24,999.99, the dividend rate paid on the entire balance will be the Tier 1 rate and APY shown in our Rate Schedule. If your average daily balance is between \$25,000.00 and 49,999.99, the interest rate paid on the entire balance in your account will be the Tier 2 rate and APY shown in our Rate Schedule. If your average daily balance is between \$50,000.00 and \$99,999.99, the interest rate on the entire balance in your account will be the Tier 3 rate and APY shown in our Rate Schedule. If your average daily balance is \$100,000.00 or more, the interest rate paid on the entire balance in your account will be the Tier 4 rate and APY shown in our Rate Schedule. The dividend rate and APY may change every calendar month as determined by the Credit Union. Refer to the Rate Schedule for current dividend rates and APY. You may also call (313) 568-5000 for rate information.

Average daily balance computation method: Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

Compounding. We compound your dividends, even though that isn't required by law. Compounding is more favorable to you, because once dividends have been earned by your account they are added to the balance on which you will earn future dividends. Because we compound dividends, the APY on your account will be somewhat higher than the dividend rate, although for lower rates, the percentage figures shown on your disclosures and statements may be the same due to rounding. The APY will be posted along with the dividend rate.

For this account type, the dividend period is the calendar month. For example, the beginning date of the first dividend period of the calendar year is January 1 and the ending date of such dividend period is January 31. All other dividend periods follow this same pattern of dates. Dividends will be compounded monthly. The prospective dividend rate for each month will be determined on the last day of the previous month. The dividend declaration date follows the ending date of a dividend period, and for the example above is February 1.

Crediting Dividends. Dividends will be credited monthly. Dividends are not available to you until they have been credited to your account. Even though your account earns dividends every day, we don't actually credit them to your account until the last day of the applicable dividend period. Dividends that

are credited to your account will be added directly into your account. No dividends are paid if the average daily balance for the period is less than \$2,500.00. If you close your account before dividends are paid, you will not receive the accrued but unpaid dividends.

Minimum Balance to Earn Dividends. You earn dividends on your Money Market Account each day that the average daily balance in your account is \$2,500.00 or more. We reserve the right to adjust minimum deposit balance requirements from time to time.

How Withdrawals Affect Dividends. Even though we don't credit your dividends to your account until the date specified above, we calculate them on a daily basis. Therefore, if you make a withdrawal, you won't receive any further dividends on the withdrawn amount from the day you make the withdrawal until the day that dividends are credited.

Funds Availability. Funds from deposits you make into your Savings Account may not always be immediately available for withdrawal. You will be informed of availability at the time of deposit. Our general policy is to delay the availability of your check deposits until the fifth (5th) business day after the business day of your deposit.

Transaction Limitations. During any statement period, you may not make more than six withdrawals or transfers to another Credit Union account or yours or to a third party by means of a preauthorized transaction or telephonic order or instruction. No more than three of the six transfers may be made by check, draft, debit card, if applicable, or similar order to a third party. If you exceed the transfer limitations set forth above in any statement period, your account will be subject to a fee as set forth in our Fee Schedule. In addition, we reserve the right to close your account for excessive violations of the transaction limitations on the account.

Individual Retirement Account

Establishing Account and Rate. An Individual Retirement Account (IRA) may be established by a member completing a separate IRA application form and making a contribution of \$50.00 or more. These accounts are a special type of savings accounts and may provide tax benefits to the account owner. Only the individual designated as the Member on the Application and Agreement may be an owner of an IRA. This Account cannot have joint owners. The dividend rate and Annual Percentage Yield for your IRA are variable and are subject to change quarterly. Refer to the Rate Schedule for current dividend rates and APY. You may also call (313) 568-5000 for rate information.

Minimum Balance Requirements; Deposits. An initial deposit of at least \$50.00 is required to open an IRA. After you have established your IRA, you may make additional deposits into that account at any time. We may establish minimum amounts for deposits in these Accounts from time to time. Deposits are also subject to federal law limitations.

Withdrawing Money from Your IRA. As long as you have money in your account, and subject to any applicable state or federal laws and regulations, the transaction limitations in this Agreement, including the Truth in Savings Disclosure, and the Credit Union's Bylaws, money can be withdrawn from your account by any method approved by the Credit Union. Currently the only approved methods are an in-office transaction or a written request (such as by mail) meeting the credit union's requirements. Withdrawals from this account will reduce earnings. If you seek to make a withdrawal that will reduce your account balance below \$50.00, we require you to withdraw the full amount in the account and close it.

Rate and Annual Percentage Yield ("APY"). Your Account will earn dividends, at rates established by the Credit Union's Board from time to time. The Credit Union reviews the dividend rate and corresponding annual percentage yield (APY) it pays on your IRA each dividend period. Refer to the Rate Schedule for our current rates. The dividend rate and APY may change every calendar quarter as determined by the Credit Union. This is a variable rate account. The dividend rates will be available each business day at our office.

Daily balance computation method: Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

Compounding Dividends. We compound your dividends, even though that isn't required by law. The Annual Percentage Yield (APY) will be posted along with the annual dividend rate.

For example, the beginning date of the first dividend period of the calendar year is January 1 and the ending date of such dividend period is March 31. All other dividend periods follow this same pattern of dates. Dividends will be compounded quarterly. The prospective dividend rate for each dividend period will be determined in the last month of the previous dividend period.

Dividends that are credited to your account will be added directly into your account. If you close your account before dividends are paid, you will not receive any accrued but unpaid dividends.

Therefore, if you make a withdrawal, you won't receive any further dividends on the withdrawn amount from the day you make the withdrawal until the day that dividends are credited.

Accrual of dividends on noncash deposits: Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations: IRS contribution limitations apply. You may make a withdrawal subject to possible penalties imposed by the Internal Revenue Service. We advise you to consult with your tax advisor prior to making a withdrawal. We reserve the right to require written notice before we allow you to withdraw from your account. You may not make any withdrawals or transfers to another Credit Union account of yours or to a third party by means of a preauthorized or automatic transfer, telephonic order or instruction, or similar order to a third party.

Relation to Other Agreements: The terms of this disclosure are intended to work in conjunction with the Individual Retirement Custodial Account Agreement (the "IRA Account Agreement"). In the event of a conflict, the terms of the IRA Account Agreement will control.

Health Savings Account

Establishing Account and Rate. A Health Savings Account (HSA) may be established by a member completing a separate HSA application form and making a contribution of \$50.00 or more. These accounts are a special type of savings accounts and may provide tax benefits to the account owner. Only the individual designated as the Member on the Application and Agreement may be an owner of a HSA. This Account cannot have joint owners. The dividend rate will be the same we offer on new term share accounts on the maturity date which have the same term, minimum balance (if any) and other features as the original term share account. Compounding is more favorable to you, because once dividends have been credited to your account they are added to the balance on which you will earn future dividends. Because we compound dividends, the APY on your account will be somewhat higher than the dividend rate, although for lower rates, the percentage figures shown on your disclosures and statements may be the same due to rounding. The APY will be posted along with the dividend rate.

For this account type, dividends will be compounded quarterly on the anniversary of the account opening date. The prospective dividend rate for each dividend period will be determined in the last month of the previous dividend period.

Crediting Dividends. Dividends will be credited quarterly. Dividends are not available to you until they have been credited to your account. Even though your account earns dividends every day, we don't actually credit them to your account until the last day of the applicable dividend period. Dividends that are credited to your account will be added directly into your account.

Minimum balance requirements: The minimum balance required to open this account is \$100.00. You must maintain a minimum daily balance of \$100.00 in your account each day to obtain the disclosed annual percentage yield.

Daily balance computation method: Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

Accrual of dividends on noncash deposits: Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

Transaction limitations: After the Certificate of Deposit is opened, you cannot make additional deposits to the account until the maturity date stated on the Certificate. Partial withdrawals are permitted, and a penalty is applied to the amount withdrawn. You cannot withdraw dividends from your account before maturity.

Time requirements: Your account will mature on the date indicated on your certificate.

Early withdrawal penalties. A penalty will be imposed for withdrawals before maturity. The penalty for a 6-month Certificate of Deposit is equal to 90 days of dividends. All other Certificate of Deposit terms have a penalty equal to 180 days of dividends. Penalties may reduce principal balance. In certain circumstances such as the death or incompetence of an owner of this account, the law permits, or in some cases requires, the waiver of the early withdrawal penalty. Other exceptions may also apply, for example, if this is part of an IRA or other tax-deferred savings plan.

Automatically renewable account: This account will automatically renew at maturity. You may prevent renewal if we receive written notice from you before maturity of your intention not to renew or you withdraw the funds in the account at maturity (or within the grace period mentioned below, if any). We can prevent renewal if we mail notice to you at least 30 calendar days before maturity. If either you or we prevent renewal, dividends will not accrue after final maturity.

Each renewal term will be the same as the original term, beginning on the maturity date, except where otherwise specified on the Certificate of Deposit. The dividend rate will be the same we offer on new term share accounts on the maturity date which have the same term, minimum balance (if any) and other features as the original term share account. You will have a grace period of seven (7) calendar days after maturity to withdraw the funds without being charged an early withdrawal penalty.

Fiduciary Accounts

A. Accounts for Trusts

- 1. Products and Services.** We reserve the right not to allow certain accounts to be opened as Trust Accounts. To the extent applicable and not superseded by this section, the terms and conditions governing types of accounts for individuals, as described elsewhere in this Agreement, govern accounts established for trusts.
- 2. Documentation.** In order to open an account for a trust, a trustee must provide such documentation as is required by the Credit Union with regard to the trust, including, but not necessarily limited to a Certificate of Trust prepared by an attorney and/or a Certificate of Trust Existence and Authority. The Credit Union reserves the right to refuse membership to a trust when it is not drafted in accordance with and governed by the laws of the State of Michigan or for any other reason in its sole discretion.
- 3. Distribution of Accounts.** If an account is opened for a trust, the trust is the party with which the Credit Union is contracting, and the trust agrees that the Credit Union may distribute funds pursuant to the terms of the most recently dated trust agreement or Certificate of Trust on file at the Credit Union, and the trust, forever indemnifies and holds the Credit Union harmless for distributions made pursuant to that trust made in good faith reliance on that trust agreement or Certificate of Trust. The trust further agrees that it is the responsibility of the trust (through its trustee) and the settlor of the trust to notify the Credit Union when a trust for which an account has been opened has been revoked, rescinded, revised, or in any way modified.
- 4. Withdrawals.** All sums paid to the Credit Union on deposits (less set-offs allowed by law and/or provided by contract) shall be paid on proper withdrawal demand. Such demand must be made by the trustee(s) as indicated on the Membership Card for Revocable Trust Account. The Credit Union has no obligation to monitor the further distribution of any funds withdrawn from the account, but we reserve the right to deny any withdrawal request. Only methods approved by the Credit Union may be used to make account withdrawals.
- 5. Representations of Trustee(s).** Any trustee for a trust who signs a Membership Card for Revocable Trust Account represents the following: (i) the trust is in full force and effect and it has not been revoked or amended in any manner which would cause the representations made herein to be inaccurate or incorrect; (ii) the named trustee(s) has qualified, is acting as trustee(s), and is authorized to open this account; (iii) the trustee(s) is authorized to hold, manage, deposit, withdraw, invest and reinvest funds deposited, purchase and sell certificates of deposit, and accomplish any or all other banking transactions; (iv) the trust agreement contains a hold harmless provision for any third party dealing with the trust or any trustee and that such provision applies to the Credit Union; (v) trustee(s) will send written notice of any change in trustee(s), of any amendment or modification of the trust which would cause the representations made herein to be or become inaccurate or incorrect, or of the occurrence of any event which would affect the trust's revocability, the powers of the trustee(s), or any other representations made to the Credit Union; and (vi) any one trustee has the power to authorize withdrawals or transfers from authorized accounts, or authorize new accounts or services. The Credit Union may rely on these representations and any instructions by the trustee(s) and act in accordance therewith in any respect affecting the account before or after termination of the trust, unless and until it receives a written notice of changes to the trust, with notice of changes in trustee(s), or written notice of any events affecting the trustee(s) powers described above or in any documents required by the Credit Union.
- 6. Acknowledgement of Fiduciary Responsibility.** Any trustee for a trust who signs a Membership Card for Revocable Trust Account acknowledges and understands the trustee's legal obligations as a fiduciary and as more fully set forth in the Michigan Estates and Protected Individuals Code. Such trustee further agrees to conduct all business with the Credit Union on behalf of the trust in accordance with state and federal laws as well as orders from any court of competent jurisdiction.
- 7. Indemnification.** Any trustee for a trust who signs a Membership Card for Revocable Trust Account hereby jointly and severally (if more than one) agrees to hold the Credit Union and each of its officers, directors, employees, agents, and affiliates harmless and indemnify them against any claims, judgments, settlement amounts, or other liabilities or costs of defense or settlement, including attorney's fees arising out of or related to any alleged or actual improper or unsuitable actions taken at the instruction of trustee(s) in connection with account for the trust or for any distribution of trust assets to any person or entity. This indemnification is made by the trustee(s) both in the capacity as trustee and individually and shall not be limited by any other independent documentation. If a trustee provides instructions or an order to the Credit Union that the Credit Union reasonably believes might expose it to claims, suits, losses, expenses, liability, or damages, it may refuse to follow the instruction or order.

B. Account for Other Fiduciary Relationships

1. Generally. A separate membership account may be opened by a fiduciary for another named person if the named person involved qualifies for membership or, in the case of an estate for a deceased individual, the deceased individual was a member of the Credit Union at the time of death. For example, an account can be opened by a conservator, guardian, personal representative, representative payee, etc. These accounts are referred to collectively as "Fiduciary Accounts" and the individuals or estates for whose benefit they are opened are referred to collectively as "Protected Persons." The person opening the account will be referred to as the "Fiduciary." As Fiduciary, you understand and agree that you owe the Protected Person a legal fiduciary responsibility to care for his or its property, including funds held on deposit in this Account, and you understand and agree that funds in this type of account may not be pledged as security for any purpose.

2. Products and Services.

We reserve the right not to allow certain accounts to be opened as Fiduciary Accounts. To the extent applicable and not superseded by this section, the terms and conditions governing those types of accounts for individuals, as described elsewhere in this Agreement, govern Fiduciary Accounts.

3. Documentation. In order to open a Fiduciary Account, you agree to provide such documentation as is required by the Credit Union with regard to the fiduciary relationship, including, but not necessarily limited to, Letters of Authority naming you as Conservator, Guardian, Personal Representative, etc. The Credit Union reserves the right to refuse to open a Fiduciary Account when documentation does not derive from the authority of the laws of the State of Michigan or Social Security Rules and Regulations.

4. Distribution of Accounts. If you have opened an account for a Protected Person, an Estate, or a Social Security Beneficiary, you, as Fiduciary, understand and agree that the Credit Union may distribute funds pursuant to the terms of the most recently dated Letters of Authority or other documentation on file at the Credit Union, and you, on behalf of the Protected Person, forever indemnify and hold the Credit Union harmless for distributions made in good faith reliance on those Letters of Authority or other documentation. You further agree that it is your responsibility to notify the Credit Union when your authority as a Fiduciary has been revoked, rescinded, revised, or in any way modified.

5. Withdrawals. All sums paid to the Credit Union on deposits (less set-offs allowed by law and/or provided by contract) shall be paid on proper withdrawal demand made by the named Fiduciary. The Credit Union has no obligation to monitor the further distribution of any funds withdrawn from the account, unless required to do so by court order. We reserve the right to deny any withdrawal request. The Credit Union shall not be liable for the misappropriation of funds resulting from a withdrawal from a Fiduciary Account.

Other Terms and Conditions

The following paragraphs apply to all Accounts opened with the Credit Union, except as specifically modified above.

Share Insurance. Your savings in the Credit Union are insured up to at least \$250,000 by the National Credit Union Administration (NCUA), an agency of the Federal Government, in accordance with regulations promulgated by the NCUA. For more information regarding share insurance, please refer to the NCUA brochure entitled "Your Insured Funds," which can be found at the Credit Union office or at www.ncua.gov. Because we are not authorized to provide legal advice, we cannot counsel you as to how to structure your accounts in order to maximize your account insurance protection.

Accrual of Dividends on Non-Cash Deposits. Dividends will begin to accrue on the business day you deposit non-cash items (for example, checks) to your account.

Transaction Limitations. During any calendar month, you may not make more than six transfers or withdrawals, or a combination of such transfers and withdrawals, from any account other than a Checking Account to another account or to a third party by means of a preauthorized or automatic transfer or telephonic agreement, order or instruction. If you exceed the transfer limitations set forth above in any month, (i) a fee will be charged as set forth in our Fee Schedule, (ii) we generally will reject the transaction in question, and (iii) the account in question may be subject to closure or restriction by the Credit Union.

Cash Withdrawal Limitations. For security reasons we may limit the amount of withdrawals that may be taken in cash from an account or by any given individual; we will establish such limits in our discretion from time to time. Please contact us if you have any questions about such limits.

Funds Availability. If you make a deposit into any account you have with us, that money may not be available to you right away. Refer to the Funds Availability Disclosure below for information regarding the availability of funds deposited into a Checking Account. For other accounts, the funds may not be available for a longer period of time. Ask us at the time of deposit (or any time afterward) if you need to know when funds from any given deposit will be available.

Notice of Withdrawals. All of your accounts are subject to the Credit Union's right to require advance notice of withdrawal, as provided by law or in the Credit Union's Bylaws.

Fees. Any account may be subject to service charges in accordance with the Fee Schedule adopted by the Credit Union from time to time. You agree to pay us fees in connection with your accounts in accordance with the Fee Schedule then in effect (refer to the Fee Schedule for a current list of fees). We will provide advance notice of any increase in current charges, or any new charges, as required by law. We may deduct any fees owed from any of your accounts, except that no fee may be deducted from an IRA unless the fee relates to the IRA. We reserve the right to waive any fees in our sole discretion. Fees may reduce earnings on any of your accounts.

Return of Deposits/Closed Accounts. We may, at any time, in our sole discretion, refuse to accept any deposit, or close any or all of your accounts with us without prior notice to you. However, we may not terminate your membership in the Credit Union without satisfying the requirements of applicable law. If we close an account, we will notify you and send you a check for any balance in that account after deducting all applicable charges and fees. We may, in our discretion, exercise our right of setoff with regard to such amounts if we have such a right with regard to the account. Any withdrawal that reduces the amount in an account to zero (other than a Checking Account) may automatically close that account. We are not liable for any check, withdrawal or

other payment order after an account is closed. Any checks or other payment orders presented after your account has been closed will be returned unpaid. We reserve the right to advise consumer reporting agencies and other third parties of accounts closed for misuse.

Final Credit for Deposits. All deposits are subject to proof and verification. If you deposit a check, draft or other non-cash item, we have the right to clear it before we make the money available to you subject to applicable federal law and regulations. If there are special fees for collecting your deposit, you promise to pay them (see the Fee Schedule for a list of fees). We may deduct them directly from the account into which the deposit was made. If we feel there is a reason, we may refuse, limit or return any deposit. We have the right to refuse to accept any deposit. We specifically reserve the right to refuse to accept checks for any purpose that have more than one endorsement; However, we generally will not refuse to accept such a deposit if all of the endorsers are original payees on the check and all are owners of the account into which the deposit is being made. We reserve the right not to pay interest or dividends on amounts subject to garnishment, levy or other legal process; and we reserve the right not to pay interest or dividends on the amount of any deposited item that is returned to us unpaid by the financial institution on which it is drawn (even if that means a reversal of credited interest or dividends).

Form of Negotiable Instruments. All negotiable instruments presented must be in a format that can be processed and/or photographed. The Credit Union may refuse to accept any check or draft that does not meet this requirement. You agree not to deposit checks or other items before they are properly payable.

Endorsement. All endorsements placed on the reverse side of any check or draft which you deposit to your account or otherwise negotiate must be placed so that they are on the left side of the item when looking at it from the front and must be placed so they do not go beyond an area located 1 and ½ inches from the left edge of the item when looking at it from the front. The Credit Union may refuse to accept any item that does not meet this requirement, and, if the credit union does accept it, you agree that you are completely responsible for any loss we incur which is premised on an endorsement not meeting this requirement, including any court costs and reasonable attorney fees. We may accept checks for deposit into any of your accounts if they are made payable to you, or to the order of one (1) or more account owners even if they are not endorsed by all payees. You authorize us to supply missing endorsements of any owners if we choose. However, for checks with more than one payee we may at our option require the endorsement of all payees and may require that all of them be present for negotiating the check.

Inactive Accounts. The Credit Union will consider your account inactive or dormant after 6 months of no consistent deposits or withdrawals on your account. This excludes interest or dividends credited to your account by the Credit Union. Michigan Law permits the Credit Union to turn these funds over to the State after two years of no activity and requires the Credit Union to turn these funds over to the State after three years of no activity. Before turning funds from inactive accounts over to the State of Michigan, the Credit Union will send notices as required by Michigan law advising you of your rights. The Credit Union may charge a fee on inactive accounts. Please refer to our Fee Schedule. The Credit Union also reserves the right to close any account for inactivity.

Statement. You will receive a periodic statement (normally monthly) for your Checking Account. You will receive a periodic statement (normally quarterly) for your Membership Share Savings Account or other savings accounts unless you have an electronic funds transfer transaction during a monthly period (in which case you will receive a monthly statement), or you will receive a combined statement on a monthly basis if you have a Checking Account and other savings accounts. Each such statement shall show the transactions on your accounts and any fees and other charges. We reserve the right not to send statements for accounts we consider inactive, or for those accounts for which we do not have a valid address on file.

You should examine each periodic statement carefully and reconcile the accounts reflected on that statement. If there are any discrepancies, you should notify us immediately. Except as expressly provided for elsewhere, you have the responsibility for any fraud loss if you fail to exercise reasonable care in examining the statement or fail to report forgeries or alterations to the Credit Union within 60 days of the mailing date of the earliest statement containing those items.

Agreement. This Agreement shall be effective and shall govern all share/deposit accounts with us. By signing a Membership Application and Agreement, signing any application to add an account after your Membership Share Savings Account has been established, making deposits or withdrawals, or leaving amounts on deposit, you agree to the terms of this Agreement and to all amendments to this Agreement. This Agreement shall supersede all previous agreements for such accounts.

Amendment. We may change any of the items of this Agreement at any time without prior notice to you if the change is favorable to you. We may make changes that are adverse to you only if we provide you with any notice required by law or required in this Agreement. When we change this Agreement, you may close the account if you do not agree to the changes; if you continue to use the account or keep the account open after the effective date of such change, you will be deemed to have agreed to the changes.

Notice of Name or Address Changes. You are responsible for notifying us of any address or name change. Whenever we are required to send you notice, the Credit Union is only required to attempt to communicate with you at the most recent address you have provided to us in writing. The Credit Union requires all notices of change in address or name to be in writing. Notices to us should be sent to:

**Diversified Members Credit Union
1480 E. Jefferson Avenue
Detroit, Michigan 48207**

If enrolled in Online Banking, Members may also submit notices of change of address by logging in to Online Banking and entering the change there.

Other Notices. All notices regarding the account will be posted in our office lobbies or will be sent to you to the address shown on your statement. In the event of joint ownership, notice by or to any one joint owner shall be deemed notice by or to all. We reserve the right not to send notice for accounts we consider inactive or dormant.

Effect of Notice. Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is deposited in the U.S. Mail, postage prepaid and addressed to you at your statement mailing address.

Indemnity. If by following your instructions we are exposed to a claim or suit by an adverse claimant, you shall hold us harmless and indemnify us from any losses, expenses, liabilities or damages including actual attorneys' fees resulting from such a claim or suit. If you ask us to follow instructions that we believe might expose us to claims, suits, losses, expenses, liabilities or damages, whether directly or indirectly, we may refuse to follow your instructions, or we may require a bond or other protections.

Severability. If any of this Agreement is found by any other court or regulatory body of competent jurisdiction to be invalid or unenforceable in whole or in part for any reason whatsoever, the enforceability of the remaining provisions or portions hereof shall not be affected thereby.

Accounts not Transferable. None of your accounts are transferable, except on the Credit Union's books and records, without the Credit Union's prior written consent.

Waiver. We may waive any of these provisions at our sole discretion, but any such waiver will apply only on that occasion. If we choose to waive any provision, we will not be bound to waive the same provision or any other provision on another occasion.

Offset. Except for debts that are secured by your principal residence, if you owe us money as a borrower, guarantor, endorser or otherwise, we have a lien on the funds in any account in which you have an ownership interest, regardless of their source, unless the account is an IRA, HSA or Coverdell Educational Savings Account, or the lien is prohibited by law. We may apply these funds in any order to pay off your indebtedness. By not enforcing a lien, we do not waive our right to enforce it later. In addition, you grant the Credit Union a consensual security interest in your accounts (except IRAs, HSAs and Coverdell Educational Savings Accounts) and we may use the funds from your accounts to pay any debt or amount now or hereafter owed the Credit Union, except for obligations secured by your residence, unless prohibited by applicable law.

Telephone Requests. You agree (for joint accounts, all joint owners agree jointly and severally) that funds in any of your accounts with us can be transferred upon the telephone request of any signer on the account. We may refuse to execute any telephone request or order. Telephone requests will not be accepted for Multiple Signatures Required Accounts.

Information About Your Accounts and About You. Generally, we will not disclose information to third parties about your accounts or about you without your permission. However, we may disclose information: (1) when it is necessary to complete transfers or transactions, or to send notice of dishonor or nonpayment; (2) to our accountants, attorneys or other professional advisors; (3) to Credit Union or financial institution regulators; (4) to exchange, in the regular course of business, credit information with other financial institutions or commercial enterprises, directly or through credit reporting agencies; (5) to advise third parties of accounts closed for misuse; (6) to furnish information to the appropriate law enforcement authorities when we believe we have been a victim of a crime; (7) to comply with government agency or court orders, or to furnish any information required by statute; (8) to furnish information about the existence of an account to a judgment creditor of yours who has made a written request for such information if the court rendering the judgment has jurisdiction over the Credit Union and could issue a garnishment that would be binding on the Credit Union; (9) when we are attempting to collect an obligation owed to us; or (10) as required by law. In addition, you understand and agree that we may, from time to time, request and review credit reports and other information about you prepared by consumer reporting agencies or others.

Section Headings. Section headings in this Agreement are for convenience of reference only and shall not govern the interpretation of any of the provisions of this Agreement.

Joint Accounts. Except for accounts designated as Multiple Signatures Required Accounts, the following paragraph applies: If two or more parties have signed an Application and Agreement with respect to one or more accounts, you are creating, and intend to create, a "joint tenancy with rights of survivorship." That is, you as the owners of the account agree with yourselves and the Credit Union that all sums paid in shares or other deposits (as applicable), together with all accumulations, prior to now or hereafter, less setoffs as allowed by law for any sums due the Credit Union by any party, shall be owned by all of you jointly with full right of survivorship, and shall be subject to withdrawal or receipt by any of you in whole or in part. Unless previously designated, such joint designation shall apply to all sub accounts under your member number. Payment to any of you or the survivor(s) of you, or the personal representative, administrator or assign of the last survivor of you, shall be valid and discharge the Credit Union from any liability for such payment and amount. Each signer appoints each other signer to be his or her irrevocable attorney in fact: to make deposits to the account; to endorse, for cash or deposit, any checks or other items whether payable to one of the signers alone or with others; and to receive and receipt for all funds all without obligation to us to inquire into the source or application of funds. To induce us to act hereunder, each person signing the Membership Application and Agreement jointly and singly agrees to hold the Credit Union harmless and indemnify us from loss, cost, and damage in all respects in connection with any of the foregoing, including court costs and attorneys' fees, except as may be limited by applicable law. Unless specifically prohibited in writing from doing so, any or all of the joint owners may pledge all or part of the shares or deposits in the account as collateral for security on a loan(s). Any owner who is a surviving owner agrees that the Credit Union to the extent allowed by law may set off any money in the account against any obligation of a deceased owner within thirty days after the Credit Union becomes aware of the deceased owner's death unless such a setoff would not have been allowed during the deceased individual's lifetime (such as would be the case with certain tax favored accounts). All owners who are surviving owners also agree that their interests in the account are subject to any security interest or pledge granted by a deceased owner, even if they individually did not consent to it. No authority or obligation of the Credit Union may be changed or terminated by one or more of the joint owners without prior written notice to the Credit Union, and no such change or termination shall affect transactions already made. Further, each joint owner is subject to the terms and disclosures of this Agreement, and hereby acknowledges receipt of the Agreement. We may refuse to authorize a withdrawal from a joint account when we have knowledge of a dispute between the joint account holders until the matter is resolved.

If an account is designated as a Multiple Signatures Required Account, the following paragraph applies: If two or more parties have signed a signature card, you are creating, and intend to create, a "joint tenancy with rights of survivorship." That is, you as the owners of the account agree with yourselves and the Credit Union that all sums paid in shares or other deposits (as applicable), together with all accumulations, prior to now or hereafter, less setoffs as allowed by law for any sums due the Credit Union by any party, shall be owned by all of you jointly with full right of survivorship. It is agreed that all living parties must sign any request for a withdrawal and that transactions on the account may only be conducted in person at the Credit Union's office. All but not less than all of the joint owners may pledge all or part of the shares or deposits in the account as collateral for security on a loan(s). No authority or obligation of the Credit Union may be changed or terminated by one or more of the joint owners without the consent of all living joint owners and prior

written notice to the Credit Union, and no such change or termination shall affect transactions already made. Further, each joint owner is subject to the terms and disclosures of this Agreement, and hereby acknowledges receipt of the Agreement.

If a deposited item in a joint account is returned unpaid, the account is overdrawn, or if the Credit Union does not receive final payment on a transaction, the owners, jointly and severally, are liable to the Credit Union for the amount of the returned item, overdraft, or unpaid amount and any charges, regardless of who initiated or benefited from the transaction. If any account owner is indebted to the Credit Union, the Credit Union may enforce its rights against any account of an owner or all funds in the joint account regardless of who contributed them.

Except as modified in this Agreement, joint accounts shall be subject to and governed by PA 41 of the Public Acts of 1968 (Michigan), as amended, being M.C.L. 490.51 et seq., and commonly known as the Credit Union Multiple-Party Accounts Act. An account owned by a person that is not a natural person (that is, an account owned by a corporation or other legal entity or by a trust) may not have joint owners.

Beneficiary Designation. When opening an account or, if all owners agree, at any time thereafter, you may designate one or more persons as beneficiaries of the account under the Michigan Credit Union Beneficiary Accounts Act (Public Act 31 of 1992), being M.C.L. 490.81 et seq. Upon the death of the last surviving owner of the account, the surviving beneficiaries shall become the owners of the funds in the account. If there is more than one surviving beneficiary, the account shall be divided equally between them, and each beneficiary shall be the sole owner of that beneficiary's share. In accordance with the Credit Union Beneficiary Accounts Act, there shall be no joint ownership among beneficiaries. Any funds deposited into an account after the last surviving account owner's date of death, and prior to the closing of the account, shall be payable to the beneficiary(ies), and not to the estate of the last surviving account owner (subject to the Credit Union's right of setoff, as set forth below). For accounts opened prior to January 1, 2016, beneficiary designations shall not apply to a checking account unless there is a specific designation to the contrary on the Membership Card or other document used to establish the account. The Credit Union is not obligated to notify any beneficiary/payee of the existence of any account or the vesting of the beneficiary/payee's interest in any account, except as otherwise provided by law. The interests of the beneficiary(ies) is subject to the right of the Credit Union, to the extent allowed by law, to set off any money in the account against any obligation of the deceased owner (or the last owner to die, if there was more than one) within thirty days after the Credit Union becomes aware of the deceased owner's death unless such a setoff would not have been allowed during the deceased individual's lifetime (such as would be the case with certain tax favored accounts). The Credit Union reserves the right to require documentation in order to confirm that an account has become properly payable to a beneficiary or beneficiaries. An account owned by a person that is not a natural person (that is, an account owned by a corporation or other legal entity or by a trust) may not have beneficiaries.

Accounts for Minors. We may require any account established by a minor to be a multiple party account with an owner who has reached the age of majority under Michigan law and who shall be jointly and severally liable to us for any returned item, overdraft, or unpaid charges or amounts on such account. Except where expressly provided otherwise, we may pay funds directly to a minor without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction. We will not change the account status when the minor reaches the age of majority, unless authorized in writing by all account owners.

Uniform Transfers to Minors Account – A Uniform Transfers to Minors Account (UTMA) is an individual account created by a custodian who deposits funds as an irrevocable gift to a minor. This minor to whom the gift is made is the beneficiary of the custodial property in the account. The custodian has possession and control of the account for the exclusive right and benefit of the minor, and barring a court order otherwise, is the only party authorized to make deposits, withdrawals, and close the account until the minor reaches age 18 or such other age as is specified on the document establishing the account. After the minor reaches this age, the minor shall have sole control of the account. We have no duty to inquire about the use or purpose of any transaction. If a custodian dies, we may suspend the account until (i) we receive instructions from any person authorized by law to withdraw funds, (ii) a court order authorizing withdrawals, or (iii) the minor reaching age 18 or such other age as is specified on the document establishing the account.

Agency Designation on an Account. An agency designation on an account is an instruction to us that the owner authorizes another person to make transactions as agent for the account owner regarding the accounts designated. An agent has no ownership interest in the account(s) or Credit Union voting rights. We have no duty to inquire about the use or purpose of any transaction made by the agent. The Credit Union shall not be liable for loss resulting from the misappropriation of funds withdrawn from an account by an authorized agent.

Legal Process. If any legal action is brought involving your account, we may pay out funds according to the terms of the action or refuse any pay out until the dispute is resolved. Any expenses or attorney fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. In lieu of expenses other than attorneys' fees, we may charge a Legal Process Fee as set forth on the Fee Schedule. Any legal process against your account is subject to our lien and security interest.

Costs for Failure to Follow Agreement. You are liable to us for any losses, costs, and expenses we incur resulting from your failure to follow this agreement. You authorize us to deduct any such losses, costs, or expenses from your account without prior notice to you. If we bring a legal proceeding to collect any amount due under or to enforce this agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post judgment collection actions.

Cooperation in Loss Recovery Efforts. You agree to fully cooperate in any effort we undertake to recover funds that were taken from your account without authorization. For example, you will sign affidavits of loss or forgery that may be required by our insurance company. You also agreed to cooperate fully in any prosecution that may be initiated by the proper authorities pursuant to us filing a complaint about unauthorized activities involving your account. If a loss is the result of our actions (we lose a check you deposited, for example), you agree to help us to recover the loss, but we will be responsible for all expenses involved.

Standard of Care. Except where applicable law or this Agreement provides otherwise, we will not be liable for any events not involving our intentional misconduct or gross negligence.

Responsibility for your transactions not involving an account. If (i) you present a check or other item to us drawn on another financial institution for cash over the counter or for payment of any obligation owing to us or (ii) we initiate an automated clearinghouse (ACH) transfer to another financial institution for any obligation owing to us and the check, other item, or ACH transfer is returned to us unpaid for any reason not attributable to us, we may

charge a returned transaction fee to any of your accounts (except accounts described in the "Offset" section as not being subject to lien or setoff rights) or, to the extent allowed by law, charge a returned transaction fee to the obligation for which payment was intended.

Taxpayer Identification Numbers and Backup Withholding. Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other Internal Revenue Code requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal Revenue Service (IRS) a percentage of dividends, interest and certain other payments. If you have designated on a W-9 or W-8BEN that you have applied for a TIN, you must provide the TIN within 60 days. Upon the expiration of the 60-day period, the Credit Union may begin withholding from your account.

Special Account Instructions. You may request that we facilitate certain business, trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your business, trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or other protection.

Changes Requested by You. Account changes requested by you, such as adding or closing an account or service, must be submitted by you and accepted by us. The Credit Union reserves the right to require account changes to be submitted in writing.

Termination of Account. Notwithstanding any other provisions in this Agreement, we may terminate your account at any time without notice to you, or we may require you to close your account and apply for a new account if: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the account or of the funds in the account; (4) any checks related to the account, whether blank or completed, are lost or stolen; (5) there are excessive overdrafts drawn on the account that are not covered by an overdraft protection plan; (6) there has been any misrepresentation or any other abuse of any of your accounts; or (7) we reasonably deem it necessary to prevent a loss to us or otherwise determine in our sole discretion that there is a reason to do so. You may terminate a single party account by giving written notice. We reserve the right to require the consent of all owners to terminate a multiple party account. An owner may give up his/her ownership rights in a multiple party account at any time by completing a document acceptable to the Credit Union in that regard; however, such removal will not relieve such an owner from any liability for which such owner had with respect to the account immediately prior to the removal. We are not responsible for payment of any check withdrawal, or other item after your account is terminated, however, if we pay an item after termination, you agree to reimburse us.

Negative Information Notice. We may report information about your loan, share, or deposit accounts to consumer reporting agencies. Late payments, missed payments, negative balances, and other default on your accounts may be reflected in your credit report.

Periodic Check of Ownership Arrangements. You agree to check all records related to your account periodically (not less than once per year) to ensure that all ownership and beneficiary arrangements are set up in the way that you desire. You agree to contact the credit union immediately if any ownership or beneficiary arrangement is not how you wish it to be. You further agree to hold the credit union harmless from any claims that any ownership or beneficiary arrangement related to your account is not set up as you desire.

Telephone Monitoring and Calling. From time to time you agree we may monitor and record telephone calls made or received by us or our agents regarding your account to assure the quality of our service. In order for us to service the account or to collect any amounts you may owe, and subject to applicable law, you agree that we may from time to time make calls and send text messages to you using prerecorded/artificial voice messages or through the use of an automatic dialing device at any telephone number you provide to us in connection with your account, including a mobile telephone number that could result in charges to you.

Termination of Membership. You may terminate your membership by giving us notice. You may be denied services or expelled for any reason allowed by applicable law, including causing a loss to the Credit Union.

Governing Law. This Agreement shall be governed by the laws, including applicable principles of contract law, and regulations of the State of Michigan, except as superseded by federal laws and regulations. This Agreement is also subject to the Credit Union's Bylaws, and to local clearinghouse rules. Unless otherwise required by applicable law, any action brought pursuant to this Agreement against the Credit Union must be brought in the local State District Court or State Circuit Court with jurisdiction over the location of the Credit Union's principal place of business.

Rewards and Incentives Programs. From time to time, we may make rewards and incentives programs available to you in connection with one or more of your accounts. These programs will be governed by separate documents related to such programs and the credit union reserves the right to change or terminate such programs at any time.

Our Right to Place a Hold on Your Account(s). If at any time we believe that your account may be subject to irregular, unauthorized, fraudulent or illegal activity, we may, in our discretion, freeze the funds in the account and in other accounts you maintain with us, without any liability to you, until such time as we are able to complete our investigation of the account and transactions. If we do freeze your account funds, we will provide notice to you as soon as reasonably possible. Notice may be made by mail or verbally or provided by other means, such as online banking or text alerts as permitted by law. We may not provide this notice to you prior to freezing the account if we believe that such notice could result in a security risk to us or to the owner of the funds in the account.

Permitted Time for Filing a Lawsuit. You must file any lawsuit or arbitration against us within one year after the cause of action arises, unless federal or state law or an applicable agreement provides for a shorter time. This limit is in addition to limits on notice as a condition of making a claim.

Use of Recording Devices. The Credit Union does not permit its Members you or members of the general public to use electronic, digital or other recording devices to record in-person, telephonic or other communications or interactions of or with Credit Union personnel without the express prior consent of the Credit Union management. The Credit Union expressly revokes, rescinds and withdraws any consent or permission to such recording that might otherwise be implied by law.

Electronic Fund Transfers

Agreement and Disclosures

This Electronic Fund Transfers Agreement and Disclosures contains additional Agreement provisions setting forth your and our rights and responsibilities concerning the electronic funds transfer ("EFT") services offered to you by Diversified Members Credit Union. This Electronic Fund Transfers Agreement and Disclosures will be referred to herein as "EFT Disclosure." By signing an application for EFT services, signing any card we issue to you, or by using any services covered by this EFT Disclosure, you agree to the terms and conditions in this EFT Disclosure and any amendments for the EFT services offered. The terms and conditions of the account agreements relating to your accounts with us remain in effect except to the extent modified by this EFT Disclosure.

Your Share Savings Accounts, your Checking Account, and your Christmas Club Account can be subject to some kind of EFT service. However, no account requiring more than one signature (a Multiple Signatures Required Account) may have EFT services. The word "account" will refer, as applicable, to any account that can be subject to some sort of EFT service. Our "business days" for purposes of this EFT Disclosure are Monday through Friday, except for legal holidays, as specified later in this EFT Disclosure.

EFT SERVICES AVAILABLE

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this EFT Disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this disclosure for future reference. We **do** require you to maintain a minimum balance in your share account of \$5.00 as a condition of using an access device (card or code) to accomplish a transfer. We do not require you to maintain a minimum balance in any other account.

Electronic Funds Transfers Initiated By Third Parties. You may authorize a third party to initiate electronic funds transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearinghouse (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. In some cases, your authorization can occur when a merchant posts a sign informing you of its policy. In all cases, the transaction will require you to provide the third party with your account number and credit union information. This information can be found on your check or draft as well as on a deposit slip. Thus, you should only provide your credit union and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic funds transfers. Examples of these transfers include, but are not limited to:

Preauthorized credits. You may make arrangements for certain direct deposits to be accepted into your account(s). We reserve the right to reject or return any ACH Direct Deposit that comes into an account when the name on the deposit does not match the name of the owner or a joint owner of the account.

Preauthorized payments. You may make arrangements to pay certain recurring bills from your Checking Account. If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

Electronic check or draft conversion. You may provide your check or draft to a merchant or service provider who will scan the check or draft for the encoded credit union and account information. The merchant or service provider will then use this information to convert the transaction into an electronic funds transfer. This may occur at the point of purchase, or when you provide your check or draft by other means such as by mail or drop box.

Note that some merchants or service providers will initiate an electronic funds transfer to collect the amount of a check or draft and a returned check/draft charge in the event a check or draft, even if originally presented in paper form, is returned for insufficient funds.

CU*TALK Telephone Transfers. You may access your account by telephone 24 hours a day at 800-860-5704 CU ID 166# using your personal identification number, a touch tone phone, and your account numbers to make the following types of transfers:

You may not exceed \$1000.00 in transactions per day (combined with ATM transactions), \$300.00 if offline.

Debit Card Transactions. Using your Debit Card, you may access your Checking Account(s) to purchase goods (in person, online, or by phone), pay for services (in person, online, or by phone), get cash from a merchant, if the merchant permits, or from a participating financial institution, and for any transaction that a participating merchant will accept.

Reversing Electronic Fund Transfers. If an "electronic fund transfer" described in this section was a payment of \$50.00 or more for goods or services, you have the right to require us to reverse such transfer and to re-credit your account with the full amount of the transfer if (1) you tell us, within 4 calendar days after the date of the transfer, to make such a reversal, (2) you notify us that you have made a good faith attempt to resolve your dispute with the third party involved, and (3) you assure us that any returnable goods involved in the dispute will be returned.

If you do these things in writing, you **MUST** send the letter to our address as set forth at the end of this EFT Disclosure.

If you phone us, you **MUST** call at the phone number as set forth at the end of this EFT Disclosure.

If you tell us orally that you want such a transfer reversed, you **MUST** send us a letter to confirm your reversal request, your notice of attempted resolution of the dispute, and your assurance to return any returnable goods involved. You are required to get this letter back to us within 14 calendar days after the date of your oral request for reversal. We reserve the right to impose a reasonable charge for handling such reversal requests, and to increase such charges thereafter.

CONDITIONS OF EFT SERVICES

Transaction Limitations. Using your ATM card: You may not exceed \$1,000.00 in PIN transactions per day, \$300.00 if offline. For the purposes of ATM and Debit Card transactions one day is 6:00 pm to 6:00 pm. For your Debit Card, the dollar transaction limit will be disclosed in writing at card issuance. Debit Card Point of Sale (POS) transactions are permitted from your Checking Account only. ATM/Debit card usage may be blocked if any loan account is 15 or more days past due, or for any negative balance in any of your accounts. In addition, except for your checking account, no transfer or withdrawal request from an account by electronic fund transfer will be honored if earlier in the same calendar month six (6) transfers or withdrawals from the account by means of a preauthorized or automatic transfer or telephonic agreement, order or instruction or other form of electronic funds transfer have already been made. We reserve the right to impose any such restrictions in the future as we deem reasonable, but we will give you at least twenty-one (21) days' notice before doing so.

Merchants. Merchants and others who honor your ATM Card or Debit Card may give credit electronically for returns or adjustments. They will do so by initiating a credit to us, and your account will be credited. We are not responsible or liable for the refusal of any merchant, financial institution, or electronic terminal to honor your card, complete a withdrawal from your account or for its retention of your card even if funds are available.

Foreign Transactions and Currency Conversion. If you effect a transaction with your debit card in a currency other than U.S. Dollars, MasterCard will convert the charge into a U.S. Dollar amount. The MasterCard currency conversion procedure includes use of either a government-mandated exchange rate or a wholesale exchange rate selected by MasterCard. The exchange rate MasterCard uses will be a rate in effect on the day the transaction is processed. This rate may differ from the rate in effect on the date the transaction occurred or the date the transaction was posted to your account.

Advisory Against Illegal Use. You agree not to use your card(s) for (i) any online gambling, whether legal or illegal, (ii) illegal gambling, or (iii) any other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

FEES

We may charge you fees for electronic fund transfers as set forth in this EFT Disclosure or as set forth in our Fee Schedule. We reserve the right to amend the fees from time to time upon thirty (30) days prior written notice. In addition, if you use an ATM or other terminal not owned by us to complete a transaction or make a balance inquiry, the owner of that ATM or network may charge you a fee.

DOCUMENTATION

Terminal Transfers. You can get a receipt at the time you make any transfer to or from your account using automated teller machines (ATMs) or point-of-sale (POS) terminals. Note that receipts may not be available for some small POS transactions.

Preauthorized Credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at (313) 568-5000 (during business hours) or 800-860-5704 (Use CU ID 166#) (24 hours) to find out whether or not the deposit has been made.

Periodic Statements. You will get a monthly account statement from us for your Checking Accounts. You will get a monthly account statement from us for your Share Savings Accounts, unless there are no electronic fund transfers in a particular month. In any case, you will get a statement at least quarterly.

PREAUTHORIZED PAYMENTS - RIGHT TO STOP PAYMENT

Procedure. If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here is how:

Call or write us at the telephone number or address listed in this EFT Disclosure in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

We will charge you a fee as set forth in our Fee Schedule for each stop-payment order you give.

Liability for failure to stop payment of preauthorized transfer. If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

CREDIT UNION'S LIABILITY

Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages.

However, there are some exceptions. We will not be liable, for instance:

- If, through no fault of ours, you do not have enough money in your account or back up accounts to make the transfer, if any funds in your accounts necessary to complete the transfer are held as uncollected funds or pursuant to our Funds Availability Policy, or if any funds in your accounts necessary to complete the transaction are held subject to legal process or other claim.

- If you used your card or access code in an incorrect manner, or after your right to use your card or access code has been cancelled.
- If the automated teller machine (ATM) where you are making the transfer does not have enough cash.
- If the ATM or other terminal or system was not working properly, and you knew about the breakdown when you started the transfer.
- If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken
- If funds in your account necessary to complete the transaction are pledged as collateral, are frozen, or offset because of a delinquent loan.
- If the error was caused by a system of any participating ATM network.
- If the transfer is not completed as a result of your negligent use of your card, access code, or any EFT facility for making such transfers.
- If the telephone or computer equipment you use to conduct audio response or electronic/PC transactions is not working properly and you knew or should have known about the breakdown when you started the transaction.
- If a law or regulation prevents us from completing the transaction.
- If any other exception as established by us and communicated to you applies.

CONFIDENTIALITY

- We will disclose information to third parties about your account or the transfers you make: Where it is necessary for completing transfers; or
- In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- In order to comply with government agency or court orders; or
- If you give us written permission.

NOTICES

All notices from us will be effective when we have mailed them or delivered them to your last known address in our records. Notices from you will be effective when received by us at the address specified in this EFT Disclosure.

AMENDMENTS

We reserve the right to amend this EFT Disclosure in any manner and at any time. If we do so, we will give you such advance notice thereof as we deem to be reasonable under the circumstances. Where required by law, we will give you at least twenty-one (21) days advance written notice. You agree that we may amend or modify this EFT disclosure without notice if an immediate change is necessary to maintain or restore the security of our account arrangements or of any account.

TERMINATION OF ELECTRONIC FUND TRANSFER SERVICES

You may terminate this EFT Disclosure or any EFT service under this EFT Disclosure at any time by notifying us in writing and stopping your use of your card(s) and any access code. Upon termination, you agree to return all cards to the credit union or destroy the cards upon request of the credit union. You also agree to notify any participating merchants that the authority to make bill payment transfers has been revoked. We may also terminate this EFT Disclosure at any time by notifying you orally or in writing at your last known address on file with us. If we terminate this EFT Disclosure, we may notify any participating merchants making preauthorized debits or credits to any of your accounts that this EFT Disclosure has been terminated and that we will not accept any further preauthorized transaction instructions. We may also program our computer not to accept your card(s) or access code for any EFT service. Whether you or the credit union terminate this EFT Disclosure, the termination will not affect your obligations under this EFT Disclosure or any electronic fund transfers made prior to termination. If either you or we terminate this EFT Disclosure, we have the option of terminating all of your accounts with us that may have any sort of electronic access (such as checking accounts) or restricting such accounts to in office transactions, a written request (such as by mail), or a phone request made directly to a credit union employee only (which generally would be what we will do with your Share Savings Account). We also may exercise any right described in the "Termination of Account" provisions in the "Other Terms and Conditions" section of the Membership and Account Agreement.

ACCESS DEVICE REVOCATION

Any card or other device which we supply you ("Access Device") may be revoked without notice to you in the event that any of the following conditions occur:

- Overdrafts occur as result of insufficient or uncollected funds on an account.
- Any transaction that occurs on your account(s) which results in a monetary loss to the Credit Union.
- Account delinquency with the Credit Union, including but not limited to, loans or credit cards.
- Forced closure of a share or share draft account at the Credit Union.
- Any other situation in which the Credit Union deems revocation to be in its best interest.

You could lose all the money in your account and in any backup account. If you believe your card and/or code has been lost or stolen and you tell us within 2 business days after you learn of the loss or theft, you will have no liability if someone used your card and/or code without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, under Regulation E, you could lose up to \$500.00. Also, you may have unlimited liability if the unauthorized transaction is not reported within 60 days of when the unauthorized transaction was reported on a periodic statement.

In case of errors or questions about your electronic transfers, call or write us at the telephone number or address listed in this brochure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and account number (if any)
- Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account open at least 30 days with us before the account is opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

Wire Transfer Agreement and Notification (Uniform Commercial Code Article 4A)

The following rules shall apply to all wire transfer services provided by the Credit Union.

Credit Union may accept, on your behalf, payments to your account that have been submitted by Fedwire or other comparable payment system. Your rights and obligations with respect to such transfers shall be governed and construed in accordance with Federal Reserve Board Regulation J, Subpart B—Funds Transfers Through Fedwire. These regulations and state law are applicable to wire transfers involving your account.

If you give us a payment order that identifies a beneficiary (the person to whom you are wiring funds) by name and account or some other identifying number (such as a Social Security, Taxpayer I.D. or driver's license number), we may pay the beneficiary on the basis of the number provided to us by you and consider that number to be proper identification. This will be true even if the number you provided to us identifies a person different from the named beneficiary, unless otherwise provided by law or regulation.

If you give us a payment order that identifies the beneficiary's financial institution in the funds transfer by name and Routing, Routing and Transit ("R/T") or other identifying number, we, as well as the receiving financial institution, may rely on the number provided to us by you as the proper identification. This will be true even if the number provided identifies a financial institution that is different from the named financial institution, unless otherwise provided by law or regulation. Therefore, it is in your best interest to contact the receiving institution to acquire the appropriate wire transfer instructions so that you may feel confident that your money will arrive safely. You, the member, are ultimately responsible for providing accurate information regarding funds transfers and are consequently liable for any losses or expenses should an error occur.

You may not be provided with separate notification each time we receive a wire transfer into your account. We will provide you with notification of an incoming wire transfer as part of your periodic statement. In the event we accept payments to your account through one or more Automated Clearing Houses ("ACH"), the operating rules of the National Automated Clearing House Association ("NACHA") will be applicable to ACH transactions involving your account. These rules do not require that we provide you with next day notice of receipt of an ACH item. Therefore, we will provide you with notification of the receipt of these items as part of your periodic statement.

In addition, if we are ever obligated to pay interest on the amount of the transfer, you will be paid interest on a daily basis equal to the current dividend rate that is otherwise applicable to the account from which the funds transfer should have occurred. In the event we are ever liable to you for damages due to a transfer, your damages will be limited to actual damages only. We will not be responsible for incidental or consequential damages, court costs or attorneys' fees, unless otherwise provided by law or regulation.

We may accept, on your behalf, payments to your account which have been transmitted through one or more Automated Clearing Houses and that are not subject to the Electronic Funds Transfer Act ("Regulation E"). Your rights and obligations with respect to such payments shall be governed and construed in accordance with the applicable Federal Reserve Bank Operating Circular. Whenever an ACH is used as part of a transaction, its rules will govern that part of the transaction. Where none of the above stated rules apply, the transactions contemplated by this agreement shall be governed by the laws of the State of Michigan, including Article 4A of the Michigan Uniform Commercial Code.

Credit given by us to you with respect to an ACH entry is provisional until we receive final settlement for the credit entry through a Federal Reserve Bank or other clearing entity. If we do not receive final settlement, you are hereby notified that we are entitled to a refund of the amount credited to you in connection with the credit entry. Moreover, you are hereby notified that the party making payment to you (originator) shall not be deemed to have paid you the amount of the credit entry.

This disclosure describes your ability to withdraw funds at Diversified Members Credit Union. It only applies to the availability of funds in transaction accounts. At the current time, the only accounts at Diversified Members Credit Union that are transaction accounts are Checking Accounts. The Credit Union reserves the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those disclosed in this policy. Please ask us if you have a question about which accounts are affected by this policy.

GENERAL POLICY

In general, our policy is to make funds from your deposits, including electronic deposits, made to your transaction accounts available to you on the business day we receive your deposit. At that time, you can withdraw the funds in cash and we will use the funds to pay checks that you have written and pay other transactions (such as point-of sale debit transactions and automated clearinghouse transactions) that you have authorized. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, Federal Holidays, and Credit Union- observed holidays. If you make a deposit to one of our employees before our branch closes on a business day we are open, we will consider that day to be the day of your deposit. However, if you

make a deposit after the branch closes, or through a channel other than to one of our employees, or on a day we are not open or that is not a business day, we will consider that the deposit was made on the next business day we are open. The length of the delay varies depending on the type of deposit and is explained below.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the day of your deposit. The first \$200 of your deposits, however, may be available on the first business day after the day of your deposit.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account in a manner consistent with the "Longer Delays May Apply" portion of this Disclosure. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us in a manner consistent with the "Longer Delays May Apply" portion of this Disclosure. The funds in the other account would then not be available for withdrawal until the end of the time period that is described in this portion of the disclosure for the type of check that you deposited.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the ninth business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you open a new account, the following special rules will apply during the first thirty (30) days your account is open unless every owner on the new account has been a member/customer of the Credit Union for at least 30 days.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks will be available on the next business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000 will be available by the ninth (9th) business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second (2nd) business day after the day of your deposit. Funds from all other check deposits will be available by the ninth (9th) business day after the day of your deposit.

DEPOSITS AT AUTOMATED TELLER MACHINES

Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate will be available on the fifth (5th) business day after the date of your deposit. Funds from any deposits (cash or checks) made at automated teller machines (ATMs) that we do own or operate will be available on the second (2nd) business day after the day of your deposit; however, a check drawn on the Treasury of the United States and deposited in an account held by a payee of the check will be made available on the business day after it is deposited. All ATMs that we own or operate are identified as our machines.

Your Ability to Withdraw Funds from Checks Deposited at Service Centers Corporation and/or Shared Branch Location Facilities.

Funds from checks you deposit at a Service Centers Corporation and/or shared branch location facility may not be available until the fifth business day after the day of deposit. Such deposits are subject to longer delays as discussed above.
