

TAKE CONTROL OF YOUR CARDS!

Get notified each time your DMCU card is used, whether it's at a grocery store or for an online purchase. Turn your cards on/off from within the DMCU App and provide another level of security to your banking experience. Every time your card is used, you will get an alert sent to your phone. If you did not make the purchase, you can go into the app and lock your card from further use. Of course, you should also call DMCU so that we can further assist you on the matter.
