

Website Accessibility Statement

Diversified Members Credit Union follows the W3C's globally recognized standards to provide members with content that is compatible with the most up-to-date assistive technologies and web browsers.

We do recommend that our members use the most current version of the screen reader applications and browsers listed below.

Screen reader applications:

- Chrome and JAWS
- Mozilla Firefox and NVDA
- Chrome and TalkBack for Android devices
- Safari and VoiceOver for iOS and macOS devices

You can improve your online experience by exploring these features and settings available in various assistive technology applications:

- **Special characters:** If it's required by your screen reading application, enable settings to automatically read any of these special characters: @, #, \$, &, ', ", /, |, _ , { }, [] and words with tilde or grave accented characters.
- **Symbols:** If it's required by your screen reading application, enable settings to automatically read these symbols: +, -, =, *, \, %, ^, (), < and >.

Browsers:

We recommend using **the** most current version of Chrome, Firefox, Safari or Microsoft Edge.

Please visit the individual manufacture websites listed above for more information on how to obtain their services. Also, please follow up with your local and state agencies or non-profit groups in your area.

If you have any issues and/or feedback, please email marketing@dmcu.com. Thank you for being a valued member of Diversified Members Credit Union.
